Strong Track Record of Growth and International Expansion

History of Creating Value for Shareholders

Growing Family Construction Business

- Roots trace back to 1950s in Egypt where first project was refurbishment of school wall
- Evolved into leading private sector contractor by the 1990s through partnerships with int'l players
- Embarked on an ambitious drive in the mid-1990s to invest in cement and building materials
- IPO on the EGX in 1999 and acquired 50% of BESIX Group in 2004
- Currently executing projects in 10 countries compared to 4 at IPO

Incubating Cement, Port & Fertilizer Lines

- Created a top 10 global cement producer in 12 countries through greenfields and acquisitions in 1990s-2000s
- Co-owned/built ME's first privatized BOT port in Egypt and divested stake in 2007 at a 49% IRR
- Divested cement group in 2007 and began growing fertilizer business
- Leveraged construction group and M&A to expand fertilizer business in Egypt, Algeria, Netherlands and USA
- Demerged from fertilizer group in March 2015

Building a Concessions Portfolio

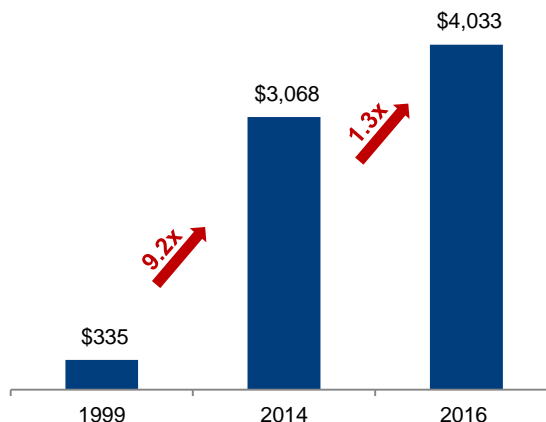

- Concessions portfolio to create both construction opportunities and recurring income and cash flow
- Already co-owner and co-operator of New Cairo Wastewater Treatment Plant, Egypt's first PPP
- Pursuing infrastructure investment opportunities in Egypt such as Build, Own, Operate power plants
- Currently developing 250 MW BOO wind farm in Egypt
- Working on mirroring MENA strategy in USA to create additional long-term value

Entrepreneurial Track Record

Creating Shareholder Value

- **Shareholder return:** IRR of c.40% on USD basis for OCI S.A.E. / OCI N.V. from IPO in 1999 to demerger in March 2015
 - Shareholder return driven by strong longstanding leadership along with investment vision of principal shareholders
- Strategy as a new company to focus on infrastructure investments to provide steady cash flow and support long-term growth
 - Already awarded first PPP concession in Egypt in 2009 – co-contractor and co-operator of Orasqualia
- History of successfully **entering new markets:**
 - Expanding outside Egypt since early 1990's; operating in four countries as at IPO and in more than 10 countries today
 - Successful acquisitions: BESIX in 2004 and Weitz in the United States in 2012
- History of successfully **incubating new businesses** including:
 - **Cement:** developed a top 10 global cement producer primarily through greenfield projects in over 10 countries until divestment in December 2007
 - **Ports:** held a strategic stake in a key port in Egypt on a Build-Own-Operate (BOT) basis, which was divested in 2007
 - **Fertilizer & Chemicals:** built three of OCI N.V.'s operating plants in Egypt and Algeria, and in the construction phase for two production complexes in the United States, which will help transform the business of OCI N.V. to a top three global fertilizer producer

Longstanding Position as Global Contractor of Choice

Track Record and Competitive Strengths

- **Tradition:** construction has been the core business since inception in 1950
 - Orascom Construction is now a leading global company employing c.72,000 people, with over 60 years of experience in MENA markets and 160 years in the United States through Weitz and Contrack Watts
- **Wide variety of core competencies:** execution of large and complex infrastructure, industrial and commercial projects
- **Track record with global presence:** proven track record in over 20 countries across infrastructure, industrial and commercial sectors, with strong focus on high growth markets and significant local resources – ranked 34th on ENR's 2016 International Contractors rankings, the highest MENA construction company
- **Experienced management team:** key executives have been with the Company 10+ years and have a proven track record of growing the business both organically and through acquisitions
- **Strong and well-established client base:** comprising sovereign and blue chip clients with longstanding relationships
- **Backlog:** healthy level of quality backlog and strong balance sheet, now scaled to embark on next phase of growth and margin expansion
- **High corporate governance standard:** culture of strict corporate governance as part of a publicly traded company since 1999 enhanced by experience as part of a Dutch company listed on Euronext Amsterdam for 2 years

Group Strategy Aimed at Delivering Top and Bottom Line Growth

The Group has focused on creating shareholder value in the process of becoming a leading private sector contractor and an incubator of high-value industrial businesses

Commitment instilled in management and founding shareholders to propel the Group into the next phase of its growth trajectory

Strengthen EPC Market and Geographic Position

- Expand market presence as an EPC contractor in core markets in MENA and USA
 - Strengthen activities in key infrastructure and industrial sectors
 - Selective pursuit of well-funded projects
 - Capitalize on financing track record across various industries
- Continued commitment to pursue strategic geographic expansion in markets that offer strong fundamentals
 - Young, growing populations with a need for infrastructure and industrial investment

Value Accretive Investment Opportunities

- Leverage investment track record in cement, ports, fertilizer and wastewater treatment to pursue new investment opportunities
- As a builder, owner and operator, the Group generates construction revenue during the contracting phase followed by recurring cash flow once the project is operational
- Required equity partly funded by profits and cash flows from the contracting phase
- Strategy already implemented with one wastewater treatment plant in operation and additional power/water investments under development in Egypt
- Goal to replicate this model in other markets particularly USA

Establish and Leverage Strategic Partnerships and JVs

- Maintain active strategy of working in partnership with industry leaders to complement and expand capabilities
- Historically such relationships have allowed us to participate in some of MENA's largest infrastructure projects
- Build upon strong relationships with repeat clients to secure new work

Commitment to Excellence

- Focus on quality, safety, environment and ethical business practices
- Maintain a safe and healthy workplace while putting our expertise to work for the benefit of clients and partners
- Effective corporate engagement and social responsibility in the communities in which we operate

Pursuing Value Accretive Investments

- Construction business was integral to OCI's value creation story:
 - Developed and incubated businesses both independently and with partners for nearly 20 years
- Key executives have been with the Group for 10+ years, guaranteeing OC's continuity in its ability and intention to create new growth channels

Cement Group (1996 – 2007)

- Started cement business with 1.5 mtpa green-field project in Egypt in 1996
- Became top 10 global cement producer in 2007 with 35 mtpa capacity
- Divested to Lafarge at an EV of US\$ 15 billion
- Distributed US\$ 11 billion in dividends in 2008

Sokhna Port (1999 – 2007)

- Started construction of a new port near Suez Canal in 1999 and was main contractor since privatization
- Only BOT privatized port in Middle East at the time – OCI held 45% stake
- Sold stake to Dubai Ports World for US\$ 372 million in 2007
- Exit Multiple: 20.6x EV/EBITDA
- IRR: 49% over 8.5 year investment period

Fertilizer & Chemicals Group (2005 – Present)

- Started construction of first fertilizer plant in 1998
- Identified and invested in EBIC in 2005 (30% stake)
- Constructed EFC, which was acquired in 2008
- Sorfert Algérie in JV with Sonatrach built by OCI, commissioned end-2013
- Started construction of Iowa Fertilizer Company (USA) in 2012
- Started construction of Natgasoline (USA) in 2014

Orasqualia (2009 – Present)

- First seed for company's infrastructure investments
- Constructed and operates New Cairo Wastewater treatment plant
- Our participation as the developer of the project positioned us well to be awarded relevant portion of the EPC contract
- Egypt's first PPP concession in JV with Aqualia (20 years)
